

That is a door. This is a woman.
She will go to the door.
This is her book.
Her book is in her hand.
She will take her book to the door.

She is going to the door.
She is taking her book to the door.

She went to the door.
She is at the door.
She took her book to the door.

This is a man.
This is his hat.
His hat is in his hand.

He will put his hat on his head.

He is putting his hat on his head.

He put his hat on his head.
His hat is on his head.
his hat was in his hand.

This is a man.
This is his book.
His book is in his hand.
This is a box.
He will put his book in the box.

He is putting his book in the box.

He put his book in the box.
His book is in the box now.
His book was in his hand.

He Her His It She That The These They This a are at bag book books box door from
gave give giving go going hand hands hat head her him his in is man now off on put
putting table take taking the to took was went were will woman
